Staff thanks those that remembered us with treats during the Valentine Season.

On February 23 & February 24 staff training was done for Department Heads and Charge Nurses.

On February 25th a Self Esteem Work Shop was held for all staff. Lunch and gifts were provided .

The training was presented by Karen Haug.

Mardi Gras

On February 10 Judy Hinker, kindergarten teacher from Woonsocket Grade School, brought her kindergarten students in for a Mardi Gras parade. The students made their own masks at the school and brought them to share. Students visited the residents rooms and handed out beads to the residents. Following the parade they had snacks with the residents. The residents certainly did enjoyed seeing all the children as they paraded throughout the facility.
